

**Technology:** [Methods and devices for non-invasive analyte measurement](#)

**VA ID Number:** 04-079

**Inventor:** Peter Jacobs

**Location:** Portland, OR

**Topic:** Diagnostics

**USPTO Issue Date:** 11/27/2012

**Patent Number:** 8,317,700

The VA has joint ownership with Oregon Health & Science University

**Contact:** [Lee.Sylvers@va.gov](mailto:Lee.Sylvers@va.gov)

**Abstract:** Methods and compositions for the non-invasive determination of the concentration of an analyte are provided.
