VA North Texas Health Care System 2014 VA National Research Week May 19–May 22, 2014

Making A Difference

SCHEDULED EVENT ACTIVITIES

Innovation

Research Poster Exhibit

The primary purpose of a poster/exhibit presentation is the communication of scholarly research and ideas to one's colleagues and the community. The poster/exhibit provides an opportunity for informal individual discussions based on the visual material at-hand.

Date: 05/19/2014
Thru 05/22/2014

Location: Clinical
Addition, Atrium

Knowledge

Lunch and Learn Research Presentation

Please Join James Cutrell, M.D. and Una Makris, M.D. as they share and discuss their innovative VA Research with the North Texas Research Community.

Date: 05/19/2014
Time: 1:00 PM

Location: Executive
Conference Room,
Bldg. 2, 1C301

Excellence

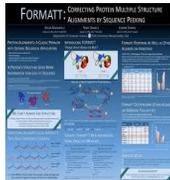

Researcher of the Year

The purpose of the Researcher of the Year Award is to recognize the efforts and commitment of those researchers who are advancing knowledge and innovation that inspire and promote continued excellence in research at VA North Texas Health Care System.

Date: 05/19/2014
Time: 1:00 PM

Location: Executive
Conference Room,
Bldg. 2, 1C301

Science

Research Poster Contest

The poster contest provides an excellent opportunity for short presentations and informal discussions regarding VA research. Selected posters are judged based on their technical content, design clarity and visual appeal. Our 2014 Judges are:

1. Chaplain Tonia Hatchett, Chaplain Services
2. Penny Kerby, Public Affairs
3. Dr. Steven Pakes, Research

Date: 05/20/2014
Time: 1:00 PM

Location: Clinical
Addition, Atrium

Information

Research Study—Open Enrollment: Veterans Only

The VANTHCS has several research studies seeking Veteran enrollment participation. Stop by the Research Studies table and learn more about our active studies, and how you can be a part of new and existing medical strategies.

Date: 05/19/2014
Thru 05/22/2014

Location: Clinical
Addition, Atrium

Thank You

Drawings and Giveaways

As a token of our appreciation, the Office of Research and Development will have two drawing for our Veterans, and Research Staff.

Date: 05/22/2014
Time: 12:00 PM

Location: Clinical
Addition, Atrium

4500 South Lancaster Road
Bldg. 43, Room 140
Dallas, Texas 75216
