

Houston MEDVAMC presents
VA National Research Week
May 22-25, 2018
VA Research 93 Years of Excellence!

Please join us to celebrate:

- ❖ **Tuesday, May 22, 2018**, 9am-10:30am, Building 100 4th Floor Auditorium

Research Week Opening Ceremony

A highlight of our Veteran-centric research program at MEDVAMC and collaboration with Baylor College of Medicine. This year the featured guest speakers include the President of Baylor College of Medicine, Paul Klotman, MD, and our Medical Center Director of Michael E. DeBakey VA Medical Center and Veteran speaker, Francisco Vazquez, MBA.

- ❖ **Wednesday, May 23, 2018**, 2pm – 4pm, Nabisco/IQuEST

Research Social Mixer & Staff Recognition Award Ceremony

To say thank you for all that you do, we will be hosting a *¡Fiesta!* social mixer for all research staff and faculty, and having a staff nominated recognition award ceremony. Shuttle service from buildings 100, 109, and 110 provided.

- ❖ **Friday, May 25, 2018**, 11am – 1pm, Building 100 4th Floor Auditorium

Research Subject Recruitment Fair

Join us for the second annual Research Subject Recruitment Fair! There will be poster presentations, subject recruitment opportunities, video presentations, games, giveaways, and boxed lunches.
