1. I am the principal investigator on the [funded / proposed] study entitled:

2. I am requesting permission to enroll non-Veterans in a CSR&D funded study.

3. I understand that research funded by CSR&D must be focused on improving the quality of healthcare for Veterans and/or medical ailments specifically affecting the Veteran population served by VHA. My justification for enrolling non-Veterans in this protocol is as follows:

4. I understand that if the Director, CSR&D approves this request, I must also obtain approval from the IRB to enroll the proposed non-Veteran research subjects.
