(Use the number on the summary statement, formatted ### - BX ##### - ##)

Station Location and Number: \_\_\_\_\_

PI name: \_\_\_\_\_

Project title: \_\_\_\_\_

Funding Cycle: \_\_\_\_\_

Research Service: BLRD

I hereby acknowledge that I have been informed about the Biomedical Laboratory R&D Service requirement regarding the timely completion of Just-In-Time (JIT) requirements. Specifically, I acknowledge my understanding that all JIT requirements must be completed within 180 days of the JIT release date of the above Award. The release date of the Award is \_\_\_\_\_ (please enter the release date shown on the project details page for this project, formatted MM/DD/YYYY), so I understand that failure to complete all JIT requirements by \_\_\_\_\_ (please enter the date 180 days after the release date, formatted MM/DD/YYYY) may result in the immediate withdrawal of the Notice of Intent to Award and removal of the above Award from further consideration for funding.

Request for an extension beyond 180 days must be uploaded to JIT for the Service Director's approval no later than 30 days prior to the 180 day cut-off date, and must include a remediation plan to clear all remaining JIT requirements. Approval of request for extension is at the discretion of the Service Director and subject to availability of funds.
